TELEVISION CABINETS: Sliding | Bi-Fold | Open

NatureKast offers the largest variety of outdoor TV cabinets on the market. Protect your TV from the elements and add a beautiful furniture piece to match your outdoor cabinetry.

APPLIANCE CABINETS: We can take the heat

NatureKast offers a full line of appliance cabinets to accommodate everything from ceramic grills to insert warming drawers... we have it all!

CABINET OPTIONS: Finally another option for outdoors

Finally another choice for full-access structural outdoor kitchens. NatureKast cabinets are a welcome change from the traditional stainless steel and masonry construction. Offering 15 finishes and 3 door styles to suit any outdoor design theme.

15 FINISHES

Louver style shown here - also available in slab or shaker.

FUNCTIONAL CABINETS: For the outdoor lover and sportsman in you

From Mongolian grills to fish-cleaning stations, our product offers unlimited design options.

PANELS & MOLDINGS: Add structure conveniently

Only NatureKast offers realistic panels like cypress, stackstone, brick and coralstone to compliment our wood-Kast cabinetry. No need for masons or cumbersome and expensive stone work for outdoor kitchens. Our crown, corbels and many moldings bring design options that have only been available for indoor cabinetry... until now.
